

November 3, 2021  
Childhood Cancer Workgroup Minutes

**Goals from the 2021-2025 Cancer Plan:**

Goal 8: Expand resources for patients and families, including palliative care and end of life care

- Strategy 1: Needs assessment
- Strategy 2: Address needs
- Strategy 3: Resource Repository
- Strategy 4: Promote Resources

Goal 9: Provide didactic and hands-on training opportunities for healthcare providers related to childhood cancer and post-treatment survivorship needs.

- Strategy 1: Nurse Training
- Strategy 2: Primary Care Provider Training
- Strategy 3: Social Worker Training

---

**Meeting Notes**

**Attendees**

Minutes: Jessica Rizzuto  
WDH Support staff: Jessica Rizzuto  
Star Jones  
Kilty Brown  
Chris Bartholomew  
Joan Mills  
Lisa Eades-Jason's Friends  
Emma Hardwick- LLS

**Meeting Notes:**

- Group discussed drafting a welcome letter for the pediatric cancer survey
  - Jessica will draft letter and send it to the group for comments
- Group decided a link for contact information to be added at the end of the survey
- Diagnosis date and how did you hear about the survey will be added
- Group discussed other ways to disseminate the survey
  - Chris volunteered to reach out to school nurses and Jessica will reach out to medicaid to see if they will also send out the survey
- Resource repository link will be added to the survey
  - Repository will be updated quarterly

- Resource repository will be housed on the Jason's Friends website with the link to it added to WYCC and Leukemia and Lymphoma Society's website
- Resource repository and survey will have a go live date of January 1 to ensure adequate time to complete action items.

#### **Action Items**

- Chris will reach out to school nurses for contacts to send the survey to
- Jessica will reach out to medicaid to see if they will also send out survey
  - Draft a welcome letter to accompany the survey
  - Update survey language to include diagnosis date and how did you hear about the survey
- Lisa will talk with her IT team about the best way to house the resource repository
