

WYOMING CANCER COALITION

DATE: 3/1/2022

1:30 p.m.

Early Detection & Screening Workgroup Minutes

Goals from the 2021-2025 Cancer Plan:

Goal 4: Increase screening rates for breast, cervical, and colorectal cancers

Strategy 1: Quality Improvement

Strategy 2: Promote Screening

Strategy 3: Financial Support

Strategy 4: Additional Funding

Goal 5: Decrease proportion of lung cancer diagnoses at late-stage by increasing screening

Strategy 1: Provider Education

Strategy 2: Promote Screening

Strategy 3: Additional Resources

Recap of the purpose of the workgroups:

The WYCC achieves its goals and objectives through the collaborative work of its members. The purpose of the workgroups is to gather partners with similar goals and passion to leverage strengths, pull resources, and build a community of people working together towards a common goal.

Meeting Notes

Attendees:

Workgroup Lead: <i>Tanya Reikers</i>
Minutes: <i>Val Knepp</i>
WDH Support Staff: <i>James Aruby, Val Knepp</i>
Other attendees: <i>Kim Nelson Cindy Glaser Garrett Poste Andrea Arenas</i>

WYOMING CANCER COALITION

Meeting Notes:

Draft decision making guides: Talking to your provider -
1st Step - when should the discussion happen
between provider/patient? Who should be involved?
2nd - What do we want to see included?
make it patient focused - what questions to ask
their doctor?
Brainstorm what we want on the communication
tool?
How will it be disseminated? In HCP offices,
website to print & take? Have a QR code & take
phone?
Garrett - statewide media campaign on breast,
cervical, colorectal cancer screenings.

What goal is the group focusing on?

Increasing screening rates

What strategy is the group focusing on?

Creating a communication guide for patients
to use when going to their HCP.

WYOMING CANCER COALITION

Outline the action plan:

Create a draft guides to decide which type the group decides will work best.

Action Items:

Tomp & Garrett will put together a different draft guides & bring to next mtg.
