### Meeting Notes:

- Group discussed logistics for the survey
  - Decided to go back 5 years from when the survey is sent out
  - May 1st through Jason's Friends, WYCC social media, and the WY School Nursing Association
  - Survey welcome letter will have a clause stating “ in an attempt to be all inclusive, you may have received this survey more than once. Please only fill out one time”
    - Survey will also have deadline of May 15th and an estimated time to complete
- Dr. Van Doorninck found a resource list we can use in place of creating our own
  - Group will explore the list and ensure it has what we are looking for in a resource repository

- Next steps to address Goal 9 were discussed. Possibly creating awareness at the community and school level about reintegration after a chronic disease diagnosis.
  - The group will revisit this after the survey is sent out and the group has a chance to go over and address the needs that were presented though data from the survey

#### **Action Items**

- Jessica will send out electronic and paper copy of survey to group
  - With estimated completion time and deadline added
  - Keep everyone updated on how many surveys have been completed
- Lisa will prepare survey to send out to her contacts through Jason's Friends
- Chris will prepare survey to send out through the school nursing association
- Elizabeth and Chris and Dr. VanDoorninck will explore available resources and trainings for reintegration and similar models
- Group will look over resource list and give feedback
