Meeting Minutes

- Wyoming Foundation for Cancer Care presented the resources they offer. Recording of the presentation can be found [here](#). Additionally, the new Executive Director was introduced. Tish Chase started with WFCC on May 22nd. You can reach her at tchase@wyofcc.org; or by 307-262-0749.
- Wyoming Cancer Resource Services Coordinators (WCRS) Stephanie DuPape and Dama Quick shared information on the work they are doing in their local communities and Star provided a general overview of the WCRS. The recording of their presentation can be found [here](#).
- The next WYCC meeting will be in Cheyenne June 26th. To register for the WYCC meeting fill out this [google form](#). We will **not** have the online WYCC survivorship workgroup meeting that date.
- If you have not done so already, please complete the [google form](#) to update your contact information and confirm your membership status with the WYCC. This helps us maintain accurate records.
- Wyoming 211 shared that there have not been many resources submitted from cancer partners. If you have not done so already, please email organizations that you work with and encourage them to complete their [registration for Wyoming 211](#). Additionally you can also send the contact information directly to 211 and they will contact the organizations to assist with registration.
- Support group updates:
 - Leigh (Gillette) reported that the men's support group has been slow going. Not much participation yet.

- Lori (Sheridan) shared that based on feedback she has received, her support group likes the opportunity to socialize with others more than the therapy part.
- Stephanie (Sweetwater) reported that their group isn't taking off quickly either but they are doing a luncheon. Stephanie did do personal phone calls to invite people to participate in HealthyU and felt that was successful in getting people to attend.
- Dawn (LLS) shared that they have held 1 blood cancer support group so far and a few people attended.
- Star shared that if hosts of support groups share their meeting dates and times, we can host them on the website and do more media push for attendees to participate.
