Discussion

Brochure

“Tinkle Time” Flyer Recent Changes

- Wyoming cancer Coalition logo added.
- QR code on patient facing flyer changed to direct users to cancer risk assessment.
 - QR code will track use for feedback data.

“Tinkle Time” Flyer Feedback/Suggestions

- Condense overall wording on flyer on patient facing flyer.
- Differentiate information with bold text or color where possible on patient facing flyer.
- Great use of inclusive language.
- Great use of color differentiation on provider facing flyer.
 - Rearrange colors to avoid red/green color combination for those with color deficiencies.
- Condense Screening recommendations on provider facing flyer.
- Change the QR code to direct to a Cancer Coalition landing page with clickable links to information and resources.
- Educate providers on question answers to ensure they are prepared to answer.
- Combine the two flyers into one recognizable form

EBI for increasing screening rates (NEW)

Cologuard Project

- Wyoming reproductive will be doing EBI, starting a Cologuard project with Catherine from Exact Sciences.

Workbook Assessment (NEW)

Draft

- Workbook assessment for providers to use on their own time outlining questions provided by WYCC for self-assessment.
 - Goal is to increase training rates and encourage providers to keep information current and keep staff up-to-date on guidelines.
 - Standardized best practice
- Drafting
 - Robyn- Consulting
 - Sheri- Facilitating
 - Catherine- Statistical data
 - Kristal- Drafting
