

Screening & Early Detection Workgroup Minutes

Name of person taking minutes: Sheri Mathews

Date: 8/21/2024

Meeting Notes

Screen Time-Final changes awaiting approval

- Changed current cancer survivors to reflect most up-to-date number
- Added specific details for lung cancer screening requirements
- Dissemination ideas include printable pdf housed in multiple places
 - 8x10 standard, more sizes if requested
 - Some printed dissemination as needed

Screening Rates-Wyoming

- Ranked 50th in the nation
 - National average 76.3, Wyoming 65.2
- Some barriers we are seeing/ what we can discuss in strategic planning:
 - Financial barriers
 - Insured and noninsured alike
 - Defining underinsured
 - Reporting screening rates
 - How are providers reporting?
 - How do we, as a coalition, ensure reporting is being done consistently/correctly?
 - Post screening needs
 - How do we catch patients that are not covered after routine screening that need additional help and could benefit from resources?
 - Gap for several cancer types where these resources are not available.

Action Items

Action Item	Person Responsible	Timeline
Collect survivor stories	All	Ongoing
Flyer	Tanya	Awaiting Approval
Strategic planning	All	Ongoing

Next meeting:

- Final approval of Screen Time status
